Trip to Longleat

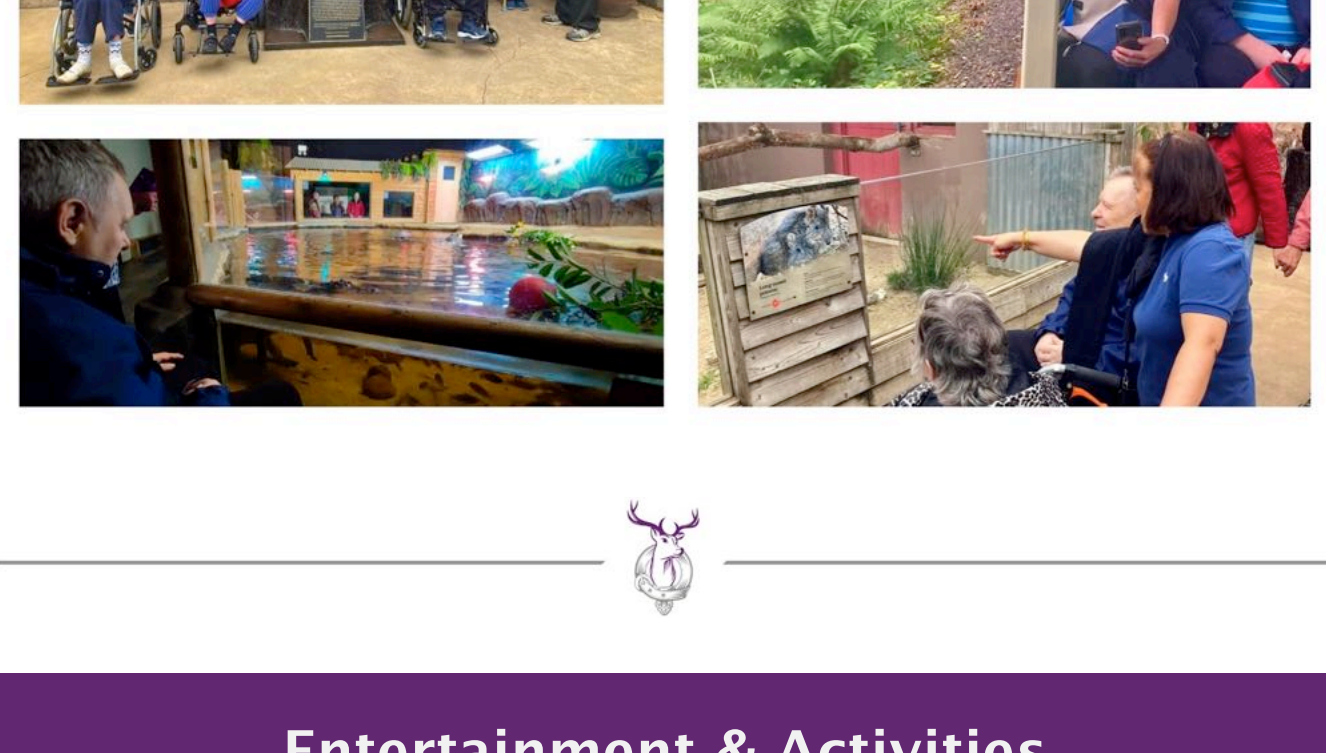

Good Times

Some of our residents have annual passes to Longleat. We planned a trip for these residents to experience the boat safari. We all enjoyed a leisurely ride on the Longleat Express and were amazed to see some lifelike dinosaurs along the way!

Getting up close with the meerkats and cuddly koalas was a definite highlight, and the boat ride allowed us to observe the sea lions, gorillas, and monkeys in a natural setting. It was a wonderful day, and we can't wait for our next adventure at Longleat!

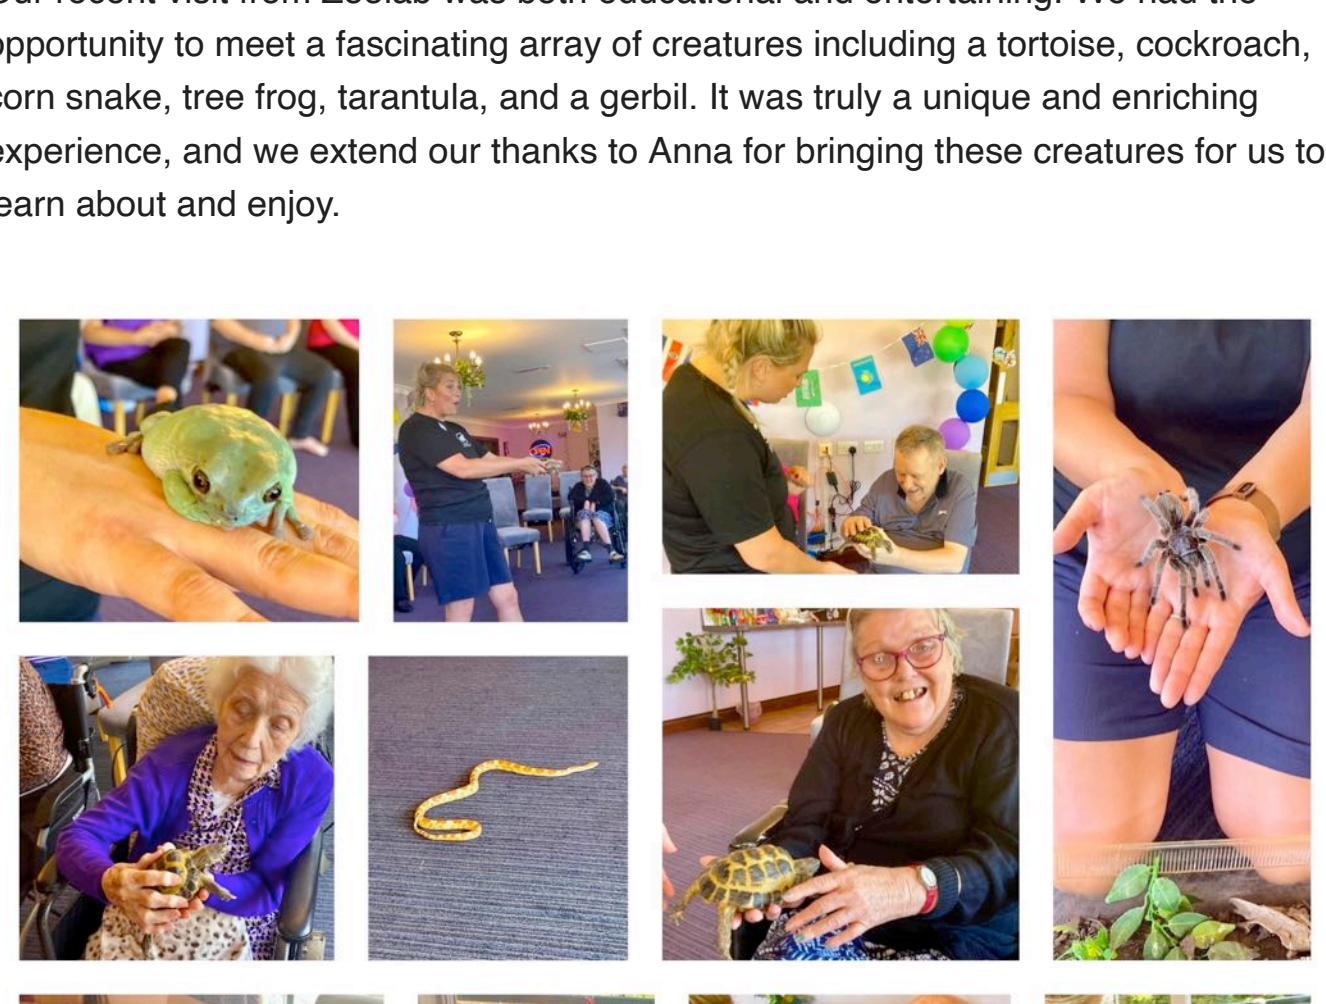

Entertainment & Activities

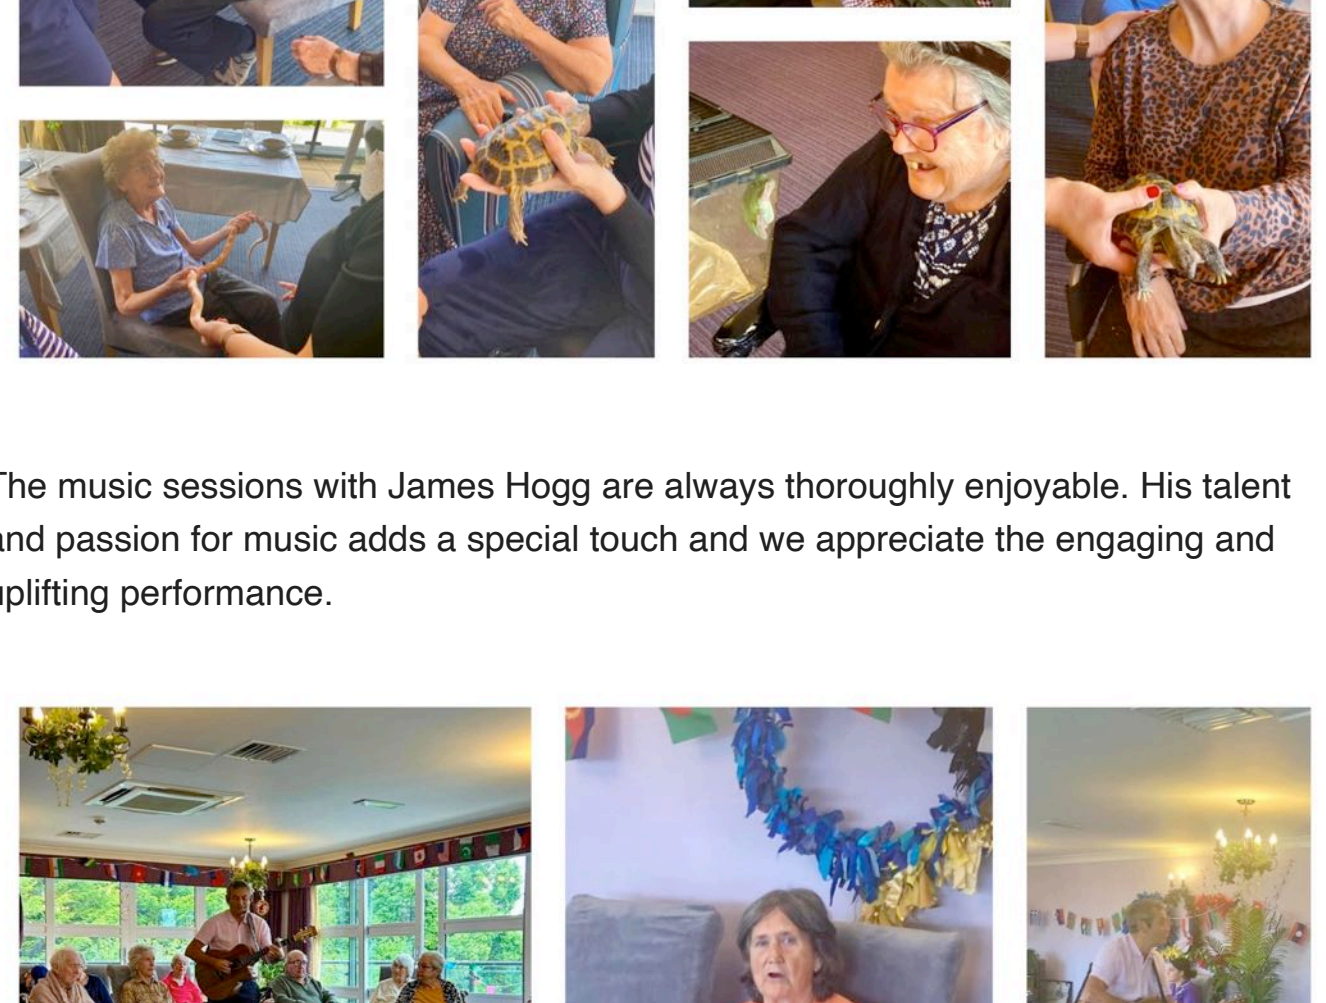

Feeling Brave!

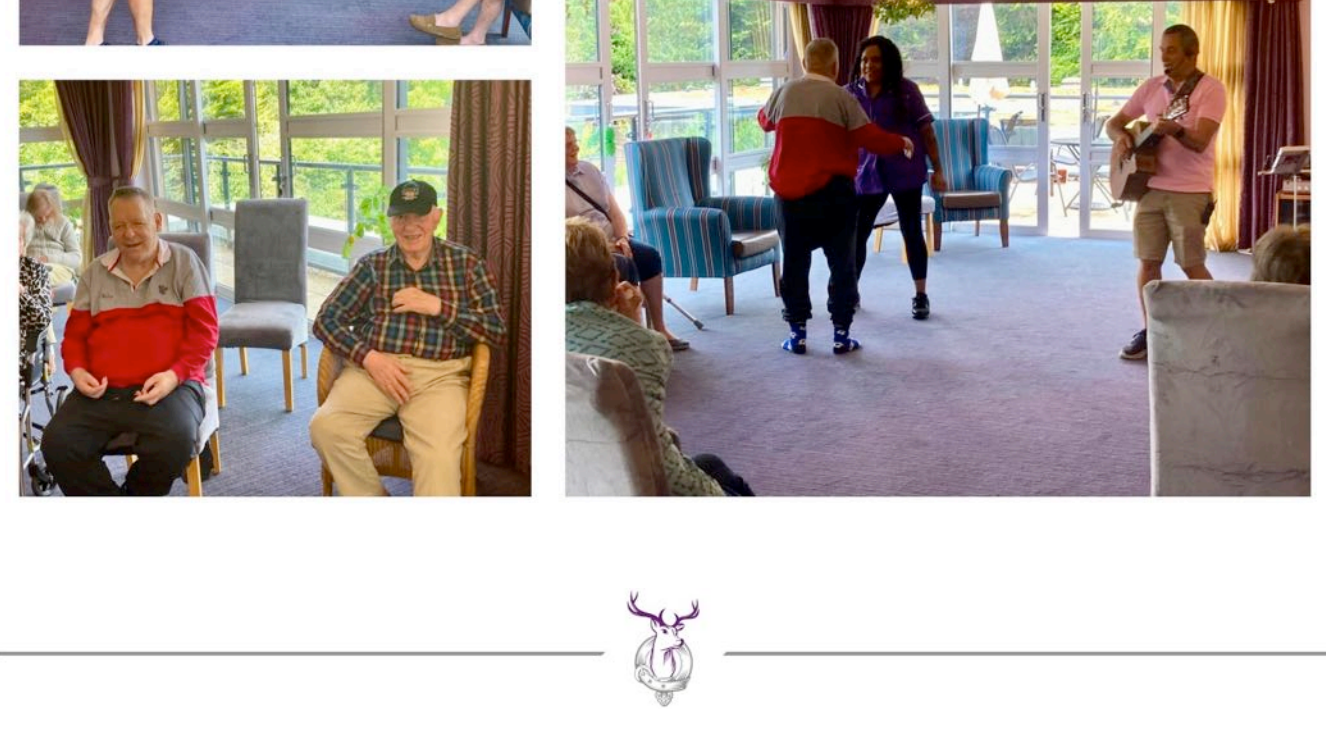

Our recent visit from Zooblab was both educational and entertaining. We had the opportunity to meet a fascinating array of creatures including a tortoise, cockroach, corn snake, tree frog, tarantula, and a gerbil. It was truly a unique and enriching experience, and we extend our thanks to Anna for bringing these creatures for us to learn about and enjoy.

The music sessions with James Hogg are always thoroughly enjoyable. His talent and passion for music adds a special touch and we appreciate the engaging and uplifting performance.

Summer Fete Success

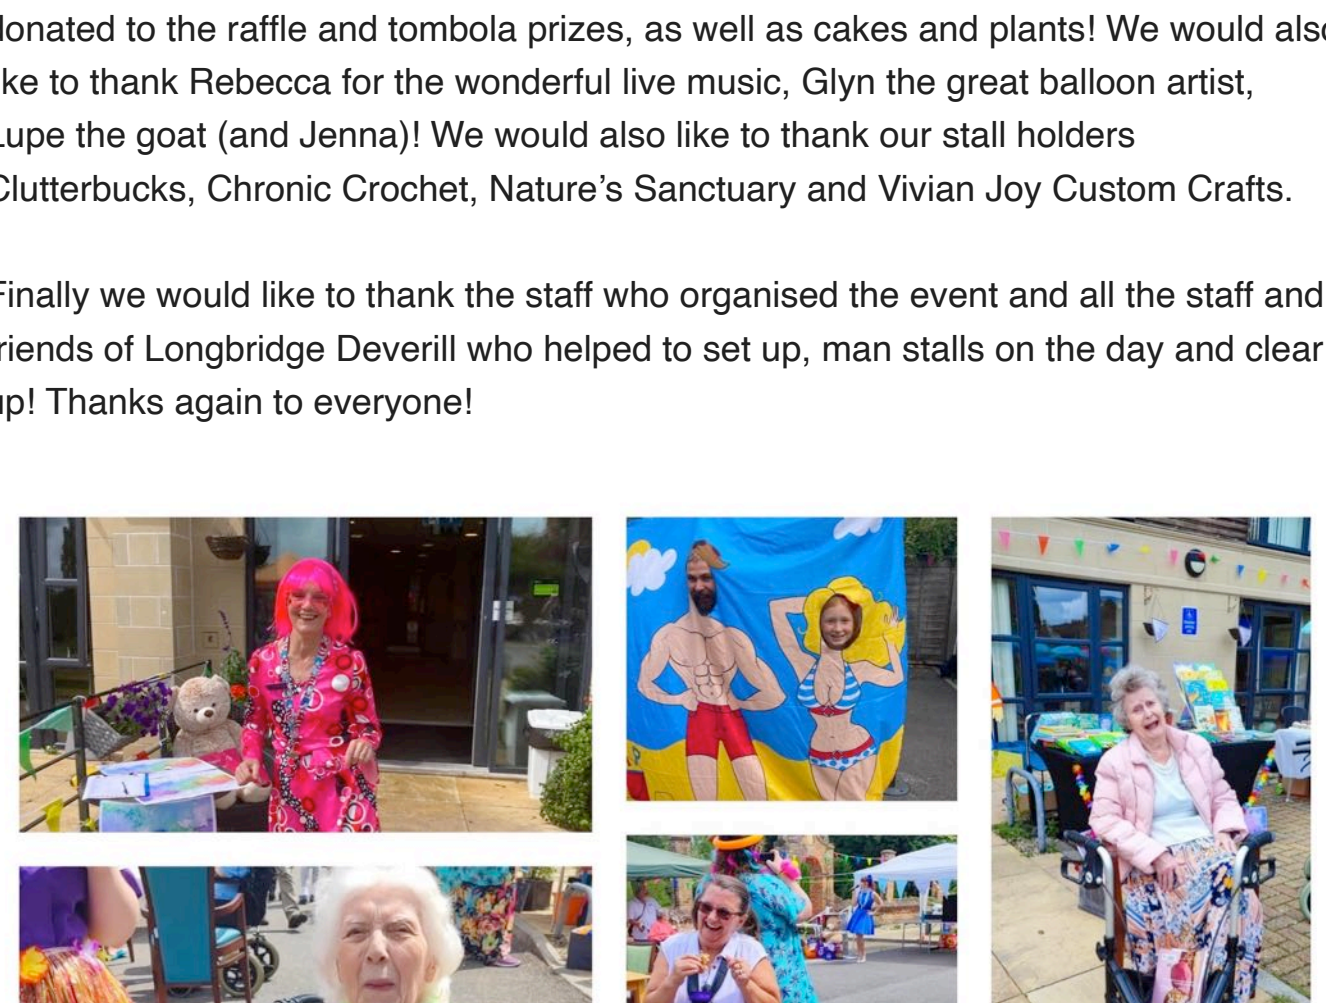

Thank You!

We had a wonderful time at our Summer Fete! The weather was great and residents, staff, family, friends and the community enjoyed a day of fun and music!

Thank you so much to all who attended, the day would not have been the same without each and every one of you! We would like to say a huge thank you to all who donated to the raffle and tombola prizes, as well as cakes and plants! We would also like to thank Rebecca for the wonderful live music, Glyn the great balloon artist, Lupe the goat (and Jenna!) We would also like to thank our stall holders Clutterbucks, Chronic Crochet, Nature's Sanctuary and Vivian Joy Custom Crafts.

Finally we would like to thank the staff who organised the event and all the staff and friends of Longbridge Deverill who helped to set up, man stalls on the day and clear up! Thanks again to everyone!

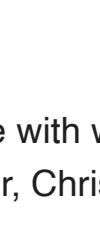

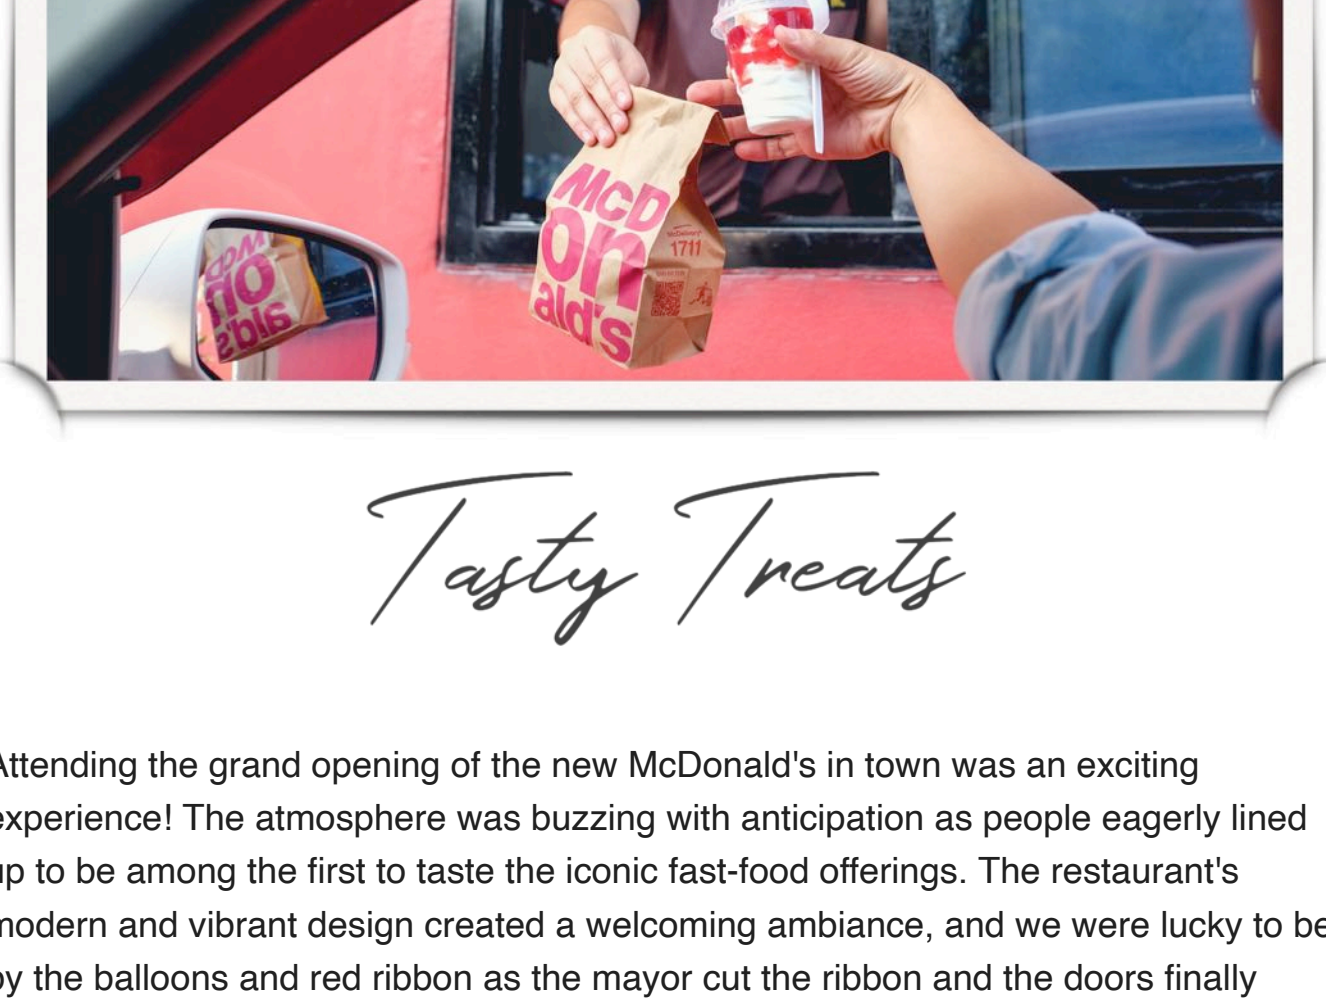

McDonald's Grand Opening

Tasty Treats

Attending the grand opening of the new McDonald's in town was an exciting experience! The atmosphere was buzzing with anticipation as people eagerly lined up to be among the first to taste the iconic fast-food offerings. The restaurant's modern and vibrant design created a welcoming ambience, and we were lucky to be by the balloons and red ribbon as the mayor cut the ribbon and the doors finally opened.

The enthusiastic staff greeted everyone with warm smiles and good service, and a special thanks to the Assistant Manager, Christini, for her support of our residents, making it a memorable event.
